

# RFL-P30MX

MOPA FIBER LASER

Data sheet V 1.0

## Features

- » High stable laser output
- » MOPA Technology
- » Short pulse setup
- » Very competitive price
- » Pulse width modifiable

## TECHNICAL SPECIFICATIONS

|                             |                     |                       |                    |
|-----------------------------|---------------------|-----------------------|--------------------|
| Central wavelength          | 1060-1080 nm        | Spectral width @3dB   | <30nm              |
| Output power                | 30 W                | Delivery cable        | <sup>(1)</sup> 3 m |
| Max. pulse energy           | 1 mJ                | Supply voltage DC     | 24 VDC             |
| Range of power              | 10-100 %            | Current consumption   | <7 A               |
| Repetition frequency        | 1-2000 kHz          | Operating temperature | 0 - 40 °C          |
| Pulse width                 | <2-500 ns           | Storage temperature   | -10 - 60 °C        |
| Power instability           | <5 %                | Colling method        | Air                |
| Beam diameter               | 6-8 mm              | Laser dimension(mm)   | 286x215x95         |
| Beam quality                | <1.5 M <sup>2</sup> | Net weight            | < 6kg              |
| Laser switching ON/OFF time | <20/2 µs            |                       |                    |

<sup>(1)</sup> optional 2/5 m

# RFL-P30MX

Pulse width corresponds to the power reduction frequency point and the maximum single pulse energy

| Pulse width (ns) | Power reduction frequency (kHz) | Upper frequency limit (kHz) | Max. single pulse energy (mJ) |
|------------------|---------------------------------|-----------------------------|-------------------------------|
| 2                | 2000                            | 2000                        | 0.015                         |
| 4                | 500                             | 2000                        | 0.06                          |
| 6                | 375                             | 1000                        | 0.08                          |
| 8                | 250                             | 1000                        | 0.12                          |
| 14               | 170                             | 1000                        | 0.18                          |
| 20               | 135                             | 1000                        | 0.22                          |
| 30               | 100                             | 1000                        | 0.3                           |
| 50               | 65                              | 1000                        | 0.46                          |
| 100              | 45                              | 1000                        | 0.67                          |
